The Bossy King

The Nativity play was a huge success! Thanks to our new 'Al Pacino',

Rayyan Etisham, and an amazing supporting cast, our school celebrated its most successful Nativity play to date. We had over 100 guests enjoying the play and we know they were all impressed. Thank you to all of our helpers and of course, Miss Micholowska and Mr. Juul. It was a treasure to behold!

The play also received excellent critical reviews from Ikast Avis and Herning Folkeblade. The good impression made by all of our children was witnessed by many more people, even outside our own school community.

The IGCSE Art & Design class also impressed with the fantastic backdrops they produced as an Art project in the weeks running up to Christmas. We must also thank Mrs. Murray for helping out with this!

Working on projects together...

Upper Key Stage 2 can be seen here enjoying some of the crafts during Christmas Art and Crafts week.

Bossy King 'wows' crowds from all nations.

In December, we began to prepare for an exciting Christmas season that includes all religions, cultures and parts of school in celebration.

Returning Staff

Ulla Overby is hoping to be returning to work in the near future. She has been suffering a long term injury but has been helping out in school in the past few days.

She is a valued member of our team and we look forward to welcoming her back soon.

New Staff

In addition to Miss Goeppert, we would like to extend a warm welcome to Mrs. Jensen.

She will be in school to help out delivering a supportive English as a Second Language curriculum to our pupils with limited English.

She will be working with Mrs Le Strange, Mrs. Pearson and Mrs Wilkinson.

Expansion

As a response to ever-increasing numbers across all Key Stages, we are expanding in to the ground floor apartment of Kongevejen, 37.

This will allow us to take our IGCSE groups in a number of new locations. In turn, it will allow us to expand KS3 into the 2 pavillions and pave the way for future changes as needed.

Mock Examinations

Year 11 (IGCSE) will be having a complete Mock Examination Timetable. During this week, they will sit full examinations in all IGCSE subjects.

This will take place in Week 9 (w/c 27th February).

They will leave on study leave on Friday 13th April 2012.

Arts & Crafts Week

KS1 & 2 held an alternative week before Christmas. They created many craft items and had fun building up the 'Julehygge'.

They also enjoyed the learning they did about traditional crafts and activities done in different countries.

Our children had an amazing time!
