

Dear Parents,

Students returned.

This week we were delighted to welcome back the Year 6, 7, 8 and IG1 students, who under the new rules were allowed to attend school for one day. Both students and staff were excited to see each other and catch up after such a long time of being away from school. Students were involved in a couple of different activities, the first being sporting activities with Mr Mate and the second was a gardening project led by Ms Casey. Student activities were all based outside to give students a chance to be away from the computer screen and in the fresh air. Students enjoyed socializing again with their peers and much fun was had. We thank the staff team who helped out with the planning and delivery of these activities. Next week we have booked the cabin at Skelhøje for both Thursday and Friday for games and team building tasks for the students in these classes. We will send out more information on this next week.

Online coffee morning with ISIB Parents.

On Thursday an online coffee morning was held with some selected parents to have an informal chat about their experiences at the school. A very constructive and positive chat was had regarding the schools current successes and potential areas of development. It was a very honest and open chat and many ideas were shared. We are looking forward to the next meeting which is scheduled for after the Easter break on Tuesday 13th of April. Invitations will be sent out shortly to the selected parents.

Primary Easter celebrations.

Next week primary students at ISIB will be taking part in some Easter activities. We are asking that on Thursday 25th of March that students bring in a hard-boiled egg. Students will be taking part in an Easter egg decorating competition and the best designs will win some chocolatey prizes. This Easter event will be open for students from Early Years up to Year 5.

Primary fundraiser activity.

This week the primary students were scheduled to hold a fundraising event but due to Covid-19 we were unable to have the usual bake sale and other social activities. We have therefore decided to allow students to pay 10Kr to have a non-uniform day on Friday 26th of March (the last day of term). We ask that you send in the money to the homeroom teacher by next Wednesday. All money raised will go towards the primary fund for trips, events and parties.

Farewell.

Next Friday we will be saying farewell to one of our work colleagues – Daniel Vilhelmsen. Daniel has been working in Early Years since 2019 and has been a valuable member of the ISIB team and a very popular member amongst the Early Years and SFO students. We hope that you join us in thanking him for all the hard work and dedication he has shown throughout his time here at ISIB. We will miss him and would like to wish him all the very best in his future endeavors.

Regards / Venlig hilsen

The ISIB Team
