

Topic: Letter from the Head of School
Date: 11 September 2020

Dear Parents,

New Supervisor for 2020-21

I am delighted to announce that Ms Linda Jensen has agreed to be our school's Supervisor for this academic year. Ms Jensen replaces Mr Charles Dalton, who conducted our school inspections for the past three years. Ms Jensen is currently also the Supervisor for Århus International School and for Esbjerg International School. We look forward to working with her.

Staff development: teachers teaching teachers!

This week, Ms Rikke Bøgh led a workshop for our teaching team about how we can most effectively share our teaching experiences and learn from one another. The activity led to a spirited discussion, which highlighted how beneficial it is for us to work in small groups and as a staff team in order to devise the best solutions to different challenges. I am looking forward to hearing more insights from members of our teaching team as a whole as the year progresses.

ISIB + IBG

ISIB is keen to work in close partnership with our neighbour, the Ikast-Brande Gymnasium (IBG). Yesterday I met with Ms Noemí Anglada and Ms Gitte Pilley, the Gymnasium's IB Coordinator, to discuss implementing a Spanish Club for beginners, with support from IB Diploma students from the Gymnasium. We hope to start this initiative in October 2020, with further exciting projects to follow!

Social Media: join us!

Thank you to everyone who is already following our new Instagram, Facebook and LinkedIn accounts, as well as our YouTube channel. More news items are being added daily, so if you want to be kept up-to-date with life in school, please follow us online. You can find the links to our social media channels through our website homepage (isib.dk).

Entrances at side and rear

I am pleased to let you know that we will shortly be covering some of the muddy area leading to the rear and side entrances of the school, which are currently used more than usual because of the Covid-19 protocols.

Succeeding in the World Together

Parents' survey: have your say

We are keen to hear from parents about how satisfied you are with the school and how we can improve. With this in mind, you will shortly receive a parents' survey form. The questions should only take a few minutes to complete, and you will have the chance to add comments of your own at the end. Please take the time to share your feedback and suggestions, so that you can have your say. I look forward to hearing from you.

I wish you and your family a wonderful weekend,

Regards / Med venlig hilsen

Tom Wilde, Head of School
