

Letter from the ISIB Team

21 May 2021

Dear Parents,

Spanish Summer Song

This week, students in Years 1 – Year 5 were preparing a Summer Song in their Spanish Workshop. Our learners put the final pieces together and dressed up to record their video. Ms Anglada would like to thank those who brought their summer clothes in this week. If you have forgotten summer clothes this week – don't worry – you can bring the clothes in on Tuesday.

Eid Mubarak!

ISIB would like to wish our Muslim community an “Eid Mubarak” or Blessed Eid. This festival was celebrated last weekend by Muslim worshipers around the world to mark the end of the holy month of Ramadan. Most believers pray; enjoy large meals with their friends and family; and exchange gifts.

Social Media

This week our social media accounts have been buzzing with new content, showcasing our wonderful students' great work! Remember to give our social media accounts a like, a look and a share! A massive thank you to Mr Marshall, Ms Christiane and Mr Gert for all their fantastic work promoting our incredible school.

Whit Monday

Don't forget that this coming Monday (24 May) is a holiday, and our school will be closed. Whit Monday, or Pentecost Monday, is a Christian holiday. We wish all of those marking this occasion a wonderful peaceful holiday.

Danish Language Examinations

The Danish Language exams took place today at the language school Sprogcenter Midt (formerly known as Lærdansk) in Herning. Our Danish Language students from IG2 and Year 11 completed their speaking, reading and writing tests, and were examined by an external examiner at Sprogcenter Midt. The students' results will be assessed using the Common European Framework of References for Languages (CEFR-levels) and each student will receive a certificate describing their level. We are very proud of our learners' hard work. Well done to them all!

We wish you all a great weekend!

Regards / Venlig hilsen,

The ISIB Team
